WHAT KENNY BRINGS

- Live guitar, vocals, and looping for a full-band feel — one artist, no backing tracks.
- Modern pop, soul/R&B, jazz, funk, country, cinematic, and classic timeless songs.
- Custom setlists tailored to the room, brand, and event flow.
- Can collaborate with DJs or perform over tracks.
- Professional PA system — fully self-contained, no venue AV required.

WHY CLIENTS CHOOSE KENNY

- Professional, punctual, and easy to work with — trusted by event planners nationwide.
- Reads the room and adjusts energy in real time.
- Flexible setup that adapts to hotels, estates, rooftops, and intimate venues.
- Happy to learn custom songs for special moments.
- Works seamlessly with planners, DJs, and event teams.
